

## Activities 2019

While it may still look like winter, spring is just around the corner. You will be happy to know that your Pioneer Park Activity Coordinators have not been hibernating. We have created a calendar of weekly and special events to provide all Pioneer Park members the opportunity to participate, lead or simply support our community.

Our current activities with event leaders already in place include the following:

### **Special Events**

- \*Memorial and Labor Day Breakfast

Ambitious and Organized? Yes, we are Technologically gifted? No, we are not

If there is anyone out there who is willing to assist with computer challenges, we could use your help (like converting to PDF files, etc)

Also, we are planning to create a really fun Friday night movie night at the outpost pool-with concessions. Can watch from your floatie in the pool or on the sidelines. We need some help in selecting equipment for projecting a movie. Would also like the capability to project tv for events such as the Brewers/ Cubs Tailgates. Please contact us if you can share your expertise.

Thank you to everyone who has already signed up to lead events and to all of you who will be volunteering this summer.
